

ISO 9001:2008 Registration Announcement

Nel-Tech Labs, Inc. is proud to announce it is now certified as an ISO 9001:2008 compliant organization. To become certified as ISO 9001:2008 compliant Nel-Tech Labs underwent an extensive evaluation process that included quality management, management documentation review, pre-audit, initial assessment, and clearance of non-conformances, all of which work to identify corrective actions that eliminate non-conformance to the quality management standard.

Nel-Tech Labs received its ISO 9001:2008 certificate of registration on September 23, 2011. The certification of compliance with ISO 9001:2008 recognizes that the policies, practices and procedures of our company ensure consistent quality in the product and services we provide our customers. With this certification, our customers can be confident that Nel-Tech Labs is dedicated to maintaining the highest efficiency and responsiveness in achieving our ultimate goal of guaranteed customer satisfaction.

Nel-Tech Labs is certified as meeting the requirements of ISO 9001:2008 for the following activities:

Design, development and manufacture of digital messaging systems and electronic contract manufacturing services.

To maintain our certification, NQA USA will perform audits to ensure compliance and to assess initiatives for continued improvement. Our customers can be confident that Nel-Tech Labs will continue to provide the high quality products they have come to expect well into the future.

We believe that our decision to become ISO 9001 Certified is a proactive one that not only anticipates the demands of our customers, but also demonstrates our commitment to providing quality products and services to all our customers.
